

**1. Course: Optimality Conditions and Algorithms in Nonlinear Optimization.**

October 28th –31st, 2014

[Gabriel Haeser](#) , University of São Paulo (Brasil)

[Program](#)

**2. Course: Polynomial Programming.**

May 11th, 12th, 13th, 18th, 19th, 2015

[Evrin Dalkiran](#) , Industrial and Systems Engineering at Wayne State University (Detroit)

[Program](#)

**3. Course: Scenario Generation and Scenario Reduction for Stochastic Programming.**

June 4th-12th, 2015

[Werner Römisch](#), Dept. of Mathematics, Humboldt University (Berlin)

[Program](#)
